

BURTON WATERS BOAT CLUB

BOAT HANDLING REFRESHER COURSE

2ND APRIL 2022

"Well that's one way to do it!"

Even the best skippers get it wrong sometimes, so why not join us for a fun day to refresh your skills?

Crews, what do you do? Your skipper is suddenly incapacitated when you are out cruising, you have to get the boat and casualty back to shore .....

As we start a new season why not join us for a day on the water in our small boats to update your skills and maybe learn some new ones. This is a course for novices and experienced skippers alike.

We shall start at 10:00 from the Water Taxi Pontoon and finish at 15:00. Lunch for members will be included and it is all for FREE to our members.

If you are interested in taking part please contact Ian Hutchings (07549 983350) or Barry Jopson (01522 511220) [bjjopson@gmail.com]
